## FOR IMMEDIATE SALE BY PRIVATE TREATY

**Unprecedented Opportunity to Purchase a Complete Boring, Honing & Turning Facility, Support Machinery, Incredible Array of Tooling & Accessories!**

This facility was originally built in 1983 for the production of non-magnetic drill collars, down-hole instruments, and various aerospace and commercial parts. The machinery has been maintained to world-class standards and includes an impressive array of support machinery and tooling.

### **MACHINERY HIGHLIGHTS:**

- (5) **Wohlenberg** 39" x 39' counter-rotating CNC boring machines (1983-1998)
- (2) **Wohlenberg** 39" x 157" counter-rotating CNC boring machines (2006)
- **TBT** 20" x 157" CNC boring and gundrilling machine (1998)
- **SIG** CNC gundrilling machine
- **Barnes** Mdl. HH-12, 30' CNC horizontal honing machine (2013)
- **General** Mdl. GH-210, 41' horizontal honing machine (1998)
- (2) **Barnes** Mdl. 15H, 35' horizontal honing machines
- (2) **Barnes** Mdl. 6D, 25' horizontal honing machines
- (4) **SHW** "Powerspeed 5", 4-axis traveling column HMCs w/8-meter X-axis travel (2007)
- **Wohlenberg** 30" x 35' engine lathe w/14" hollow spindle
- (2) **Wohlenberg** 38" x 20' engine lathes w/10" hollow spindle (1998)
- **Spark** 38" x 20' engine lathe w/14" hollow spindle (2010)
- **Savage** 1,000 T. x 40' straightening press (1999)
- **Savage** 350 T. x 35' straightening press
- **HEM** H-160 horizontal bandsaw
- **Fowler** pneumatic bore gauging system
- Huge assortment of tooling and accessories for the above machinery

### **INDUSTRIAL BUILDING FOR SALE OR LEASE:**

- 82,960 sq. ft. tilt-up concrete facility, constructed 1982
- 3.75 +/- acres of property w/60 parking spaces
- (3) 52'W. crane-served manufacturing bays, 21' clear height
- 7,500-amp electrical service
- (9) 16' x 14' ground level doors
