

## RADIAL ARM DRILLS

### PHOTO 1

**CINCINNATI Bickford Radial Arm Drill**, Mdl. Super Service radial, s/n SE-354, 15 HP drive motor, variable speed feed rate, high/low gear box, 25–850 variable speed spindle, 7' radial arm, 19" diameter column, coolant.

### PHOTO 2

**CARLTON Radial Arm Drill**, s/n 3A-2253, 15 HP drive motor, variable speed feed rate, high/low gear box, 25–1,850 variable speed spindle, 6' radial arm, 17" diameter column, coolant.

### PHOTO 3

**CARLTON Radial Arm Drill**, s/n 1A-3755, 5 HP drive motor, variable speed feed rate, 25–1,500 variable speed spindle, 3' radial arm, 9" diameter column, coolant.

### PHOTO 3A

**(9) HOUGEN Magnetic Base Rotabroach/Drills**, Mdl. HMD-914.

## IRONWORKER

### PHOTO 17

**2002 PIRANHA Ironworker**, Mdl. P-90, s/n 1776, 90-ton cap., 12" throat, 15-1/2" open height, 1-1/8"–1" max. material, 20-1/2" length plate shear, 6" x 6" x 5/8" angle shear, 1/2"–2" round bar shear, 1/2"–1-3/8" square bar shear, 12" bending attach., asst. punch, shear, break tooling.

## SAWS

### PHOTO 4

**MARVEL Automatic Vertical Bandsaw**, Mdl. 8-MARK-II, s/n 829391, 45" articulating head, 16" radial cut, coolant, 20–140 material feed rate, 15–450 variable blade speed.

**EVERETT Chop Saw**, 5 HP, 12" blade.

## WELDERS

### PHOTO 5

**(2) LINCOLN Ideal-Arc Welding Power Source**, Mdl. R35-600, 600 amp arc welder, Lincoln LN7 wire feeder.

**LINCOLN Ideal-Arc Welding Power Source**, Mdl. DC-600, 600 amp arc welder, variable voltage output, equipped w/multi-process switch, Lincoln LN7 wire feeder.

**LINCOLN Ideal-Arc Welding Power Source**, Mdl. DC-600, 600 amp arc welder, variable voltage output, equipped w/multi-process switch, Lincoln LF-74 wire feeder.

**LINCOLN Ideal-Arc Welding Power Source**, Mdl. DC-600, 600 amp arc welder, variable voltage output, equipped w/multi-process switch.

**LINCOLN Ideal-Arc Welding Power Source**, Mdl. CV-400, 400 amp constant voltage DC arc welder, variable voltage output, Lincoln LN7 wire feeder.

**LINCOLN Ideal-Arc Welding Power Source**, Mdl. R3R-300, 300 amp DC arc welder, variable current control, Lincoln LN7 wire feeder.

**LINCOLN Weldonpower Generator Welder**, 200 amp variable current output, 16 HP gas Briggs & Stratton motor.

**TRW Nelson Stud Welder**, Mdl. 101 Series 5000, s/n SMC-9707, 1,600 amp variable current/time adjustment, w/leads and stud gun.

**TRW Nelson Stud Welder**, Mdl. TR-1800 A, s/n HD698527, 100 amp cap., w/leads and stud gun.

**LINCOLN Electric Sub-Arc Welding Fixture**, Mdl. 10315, s/n V1990215342, Lincoln Mdl. TC-3 bridge control feed carriage, 11' rolling gantry.

### PHOTO 10

**HYPER-THERM Mdl. Max 42 Plasma Cutter**.

**BUG-O-SYSTEMS Track Burner**, Mdl. Go-Far III.

**ARONSON Welding Positioner**, 10,000-lb. weight cap.

**Oxygen/Acetylene Torch Carts**.

**PHOENIX Dry Rod Cabinets**.

**Asst. Welding Table**, 1", 2" plate combinations.

**Asst. Welding Wire**, large lot.

## SUPPORT EQUIPMENT

**2005 ALMI 4" Belt Sander**, Mdl. AL-100 BA, 1 HP, material clamping.

### PHOTO 11

**INGERSOLL RAND Horizontal Air Compressor**, Mdl. T-30, s/n 0009190447, 15 HP, 3-stage compressor, 120-gallon, 175 PSI @ 70 CFM.

**YALE 3-Ton Bridge Crane Trolley**.

**STANDARD 10" Large Cap. Pedestal Grinder**.

**CRAFTSMAN 15" Floor Model Drill Press**, 12-speed, 5/8" chuck, 1 HP.

**ROCKWELL 15" Bench Top Drill Press**, 16-speed, 1/2" chuck, 1 HP.

**MILWAUKEE Portable Bandsaw**.

**EVOLUTION Mdl. 180**, TCT steel cutting circular saw, 7" cap.

**O.S. WALKER Mdl. BM-30 Lifting Magnets**.

### PHOTO 12

**Power Beveler**; **BERNARD Jib Hoists**, steel base; **Asst. Angle Grinders**, 3"–12"; **Asst. C-Clamps/Bar Clamps**; **Asst. Hoppers/Metal Bins**; **Asst. Saw Horses**, large lot.

## ROLLING STOCK

### PHOTO 14

**2004 HYSTER Forklift**, Mdl. H-120 XM, s/n L005V03311B, 10,000-lb. weight cap., 214" height cap., 2-stage mast, 72" forks, side shift, auto. form adjustment, enclosed cab, LPG, monotrol trans., 4,929 hours.

### PHOTO 15

**KOMATSU Forklift**, Mdl. FG25SHTLP-12, s/n 519132A, 4,480-lb. weight cap., 188" height cap., 3-stage mast, 40" forks, side shift, hard tire, LPG, 9,785 hours.

### PHOTO 16

**2009 PJ TRAILERS Tandem Axle 20' Flatbed Trailer**, VIN 4P5F8202991133255, 7,000-lb. axles wood deck w/deck ramps, 8' lug axles.

**BIG JOE 5,000-Lb. Pallet Jacks**; **Forklift Boom**; **Asst. Steel Carts/Bins**.
